		DS proposed that payment of £250, SW seconded, and all agreed, AB abstained. This was the maximum allowed. 16	Correspondence for Discussion and Action.
16.1	Complaint from resident in Philips Close about trees in Woodland overhanging garden. After some discussion the Council asked the Clerk to start to start the Survey early to assess the work required.
16.2	Resident requesting additional safety measures on junction of Horns Drove into Routs Way. The Council sympathised with the resident but thought the decision should be left to HCC Highways.
16.3	Resident concerned at the lack of Parking Enforcement action in Horns Drove, with vehicles being parked on double yellow lines. The Council agreed to pass on the concerns about the lack of enforcement action to the Parking team at HCC.
16.4	Resident expressing concern over the destruction of wildlife habitat in the Parish. MM and JL to take forward with resident.
16.5	Hedge maintenance in Redbridge Lane and safety concerns. (Various). This was being pursued with the builders Bloors and by NAK with HCC.
16.6	Tree felling on the land alongside the M27 and the Bund Balmoral Way. The Clerk had established the work was carried out by South and Scottish Electricity to ensure supply. The Council believed there was little further that could be done, and the Clerk would not pursue the matter further.
17	Members Questions
17.1	HP asked about planting daffodils beside motorway bridge. PB advised that Highways England permission was required, and he would pursue.
17.2	TS asked about starting meetings at 7pm. After discussion it was thought that the 7.30pm start time suited most Councillors.
17.3	GO confirmed that everyone had received his email about wildflower planting.

17.4	TS asked why the increase in allotment fees had not been brought before the Council. SW advised that the policy was to broadly cover
	costs and no increase had been made for 5 years.
17.5	AB asked about allotments in the Broadleaf Development and Hoe Lane.
	PB advised Broadleaf decision was not yet known and Hoe Lane was for
	North Baddesley development, although the allotments were located in
	this Parish.

The meeting closed at 9:25 pm.

The next Full Meeting of the Council will be held on 7.30pm 5th October 2021.
